Attending the meeting was our entire eight man color guard. One fourth of those attending were in continental uniforms. Seeing the The reaction of the public always to such a display is always interesting.

But, Light Horse Harry Lee went on to say: "He was second to none in the humble and endearing scenes of private life, pious, just, humane, temperate, and sincere, uniform, dignified and commanding. His example was edifying to all around him, as were the effects of that example lasting"

Sometimes the worth of a man can best be determined by listening to his enemies. "The Courier", a London newspaper wrote: "General Washington is not the idol of the day...but the **hero of the ages**. .the whole range of history does not present to our view a character upon which we can dwell with such awe and admiration." Naturally they pointed out his British ancestry.

George III ordered a statue of Washington be erected in the heart of London (Now Trafalgar Square) But, the American Ambassador to England explained that Washington had said he never wanted to set foot in England, hence his statue would be against his wishes. George III was not going to loose another one to the Americans, so he ordered five tons of Virginia soil shipped to London, and upon this he had the statue erected!

Napoleon Bonaparte was very much aware that President John Adams had called Washington out of retirement, commissioned him a Lieutenant General and Commander-in-Chief of an army being raised to oppose the French, But still he ordered that black crepe be draped from every flag in France and every standard in the French armed forces, for a period of ten days. He further ordered that on February 8th, 1800 the funeral oration be repeated at the Temple of Mars , in Paris. Such was the respect paid to George Washington by the French.

WASHINGTON LUNCHEON
ADDRESS

At the George Washington Luncheon sponsored by our Chapter, the address was give by Compatriot Donald Norman Moran,. Below is remarks:

"George Washington
HERO OF THE AGES"

"We have just come from a Memorial Service honoring the memory of George Washington. Later, we will be joining patriotic Americans from all over the Los Angeles Area a the George Washington Commemorative

Massing of the Colors. Over the years since Washington died in 1799, he has been turned into a marble statue, without a heart or soul. To appreciate the character of the true Washington, I refer you to the eulogy's delivered by those who personally knew him or knew of him. On December 26th, Henry Lee delivered his famous eulogy to a join meeting of Congress. The eulogy was over 3,00 words long, but is best remembered for the often quoted first sentence which reads: "First in War, First in Peace, First in the Hearts of his Countrymen",

The enduring legacy left by George Washington in England, a country he never set foot in, never fails to impress me. I believe that every home in a which "Washington" ancestor lived has been preserved. At Durham Cathedral, there is a plaque, prominently displayed honoring the memory of John Washington who built the beautiful cloisters. It reads:

JOHN WASHINGTON
PRIOR OF THIS
CATHEDRAL CHURCH
1416 - 1446
WHOSE FAMILY HAS WON
EVER LASTING FAME IN
LANDS TO HIM UNKNOWN

There are other memorials to our First President in England including a portrait of him at No. 10 Downing Street - the residence of the Prime Minister. What a reminder! Every time the Prime Minister sees the portrait he sees a man to emulate, and remembers the 'big trouble' that misguided foreign policy can get you into. The final eulogy I will refer to today, is my favorite as it speaks volumes in very few words. It appeared in the Boston Globe:

"By what title shall we remember him - 'His Royal Highness, George the First', 'Lord Protector of the United States', 'Father of our Country', no, we think not. For all titles pale when compared to his name "WASHINGTON".

It is obvious that Wasginton's compemoraties thought him to be the rarest of men hence our opinoin should be no less.

☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆☆

GREETING FROM THE WASHINGTON FAMILY

Audel Harrison Hicks, Sr. Vice President General of the Society of Washington Family Descendants was one of the dignitaries that attended the Massing of the Colors, His message to us from that highly respected organization has been transcribed below for your pleasure.

"I bring you greetings from the Washington Family on this noteworthy day and I thank you for being here to commemorate the birth of our George Washington. In these times when it is the popular thing to debase and disparage the good names and deeds of our forefathers as standards of greatness, it is fitting that we stop and recall that, in the history of mankind, seldom has such a person as Washington appeared on this earth. Born 261 years ago, he was truly an approach to man's perfection.

Fellow citizens, we cannot escape history. We will be remembered in spite of ourselves. This monument which you see before you is composed of stone and metal. It has been deteriorating since its creation in Italy over 130 years ago. Lasting memorials are etched in hearts and minds and, thus, will remain eternally. True lovers of liberty and of the American Way of life remember George Washington this day, they will tomorrow and they will into the unforeseeable future.

I would like to close with a quote from another great American, Abraham Lincoln, who said: "To add brightness to the sun, or glory to the name Washington, is alike - impossible! Let no man attempt it. In solemn awe pronounce the name, and in its naked, deathless splendor - leave it shining on!"

**FROM THE EDITOR'S ~~PEN~~
COMPUTER**

Our Chapter has long subscribed to the age old adage "Publish or Perish". Our newsletter, The Valley Compatriot was first published the week after we received our Charter in April of 1981. In 1983 we were awarded the Charlotte Woodward awarded for publishing by the National Society, which is usually reserved for State Societies. Since then we have been honored THREE times as winner of the Carl F. Bessent Award for "Best Newsletter" in the entire Society. (1985, 1988 and 1989) and the State's publication award, a like number of times. All of this has been accomplished with, at first, a typewriter, and since 1986, a word processing system.

As you can see, we are now on

line with a state-of-the-art, computerized desk top publishing system. We will be realizing a tremendous cost savings as we can now do all of our work "in house" and will no longer require the services of a printer to prepare some of our documents, programs and publications.

Additionally, we will be able to enhance not only the appearance of the Valley Compatriot, but we will be able to reduce the number of pages per issue by a 33% and still convey all of the information that we disseminate, and by such a page reduction reduce its cost by a like percentage.

We owe a great debt of gratitude to Compatriot **Robert C. Emrey**, for underwriting the costs involved in purchasing this system.

Your editor is adding his personal vote of appreciation. as the system will dramatically reduce the day-by-day drudgery of his present work load, thereby permitting the undertaking of additional projects that will benefit the Chapter and the Society.

S.A.R. HUMOR

A Good Deed Backfires!

A Compatriot was taking his daily exercise walk when he observed a five year old trying to reach a door bell. The little guy tried standing on 'tippy-toes'. tried jumping, but could not reach the door bell. Our Compatriot walked up the walk way, and said "let me help you son" and pressed the door bell for the boy. With that, the boy looked up, smiled and said "Thanks Mister, now lets run!"

In the Eyes of the Beholder.

One of our Compatriots was conducting an elementary first aid class for his Cub Scout Pack. After conveying some rudimentary information on the human body, he quizzed the Scouts on what they had learned. Our Compatriot asked "Can anyone tell me a function of our skin?" One young Cub responded: "So people don't throw up when they look at you."

A MAN OF FEW WORDS

Revolutionary War veteran Robert Lindsey, was a man of few words. born in 1756 in Springfield, Massachusetts, enlisted on December 9th, 1775 in Colonel Leaned's Regiment, (the 4th Massachusetts Regiment of the Contential Line) and served until the very end of the war, being discharged on June 9th, 1783. He applied for a pension on April 18th, 1818 and personally described his extensive Revolutionary War service as follows:

"I miss'd the fight at Boston. I took'd some Hessians in the Jerseys I help'd took'd Burgoyne in New York, and I help'd took'd Cornwallis in the Virginias and more betwix'd."

As far as we have been able to determine, Lindsay was in every major campaign of the war after Boston.

**OUR
S.A.R. MEDALS
AND AWARDS**

Owing to a tradition of dedication to the goals and objectives of the S.A.R. and a lot of hard work, our Chapter proudly boosts a disproportionate number of Compatriots who have been decorated by the Society.

Compatriot Ronald D. Risley, State Vice President, wrote an excellent article on the correct wearing of your medals. This was published in the September edition of the "California Compatriot".

We are recommending compliance, and suggest the following Company can assist you:

The Quartermaster
750 Long Beach Blvd.
Long Beach, Ca. 90803

Telephone: 1-310-436-6247.

They will take your individual medals and mount them on clasp bars at a cost of \$2.50 for each full sized medals and \$2.00 for each miniature. After mounting your medals will always look neat and orderly.

The S.A.R. handbook recommends no more than three rows of miniature medals be worn. And, as Major Risley pointed out, full size and miniature medals must never be worn at the same time.

In Major Risley's article a list of the precedence of medals is presented. We have reproduced that list here for your reference: from the right - top:

- U.S. Decorations of honor/ valor
- U.S. Campaign medals
- Foreign Decorations
- State Decorations
- State Campaign medals
- Decorations of Military Societies*
- Hereditary Societies*
- Patriotic Societies*

(* In the order of their founding)

The Precedence of our Sons of the American Revolution medals:

- S.A.R. Membership Badge
- Minuteman Award
- Good Citizenship Medal
- War Service Medal
- Law Enforcement Medal
- Patriot Medal
- Meritorious Service Medal
- Silver Good Citizenship
- Florence Kendall Medal
- SAR Medal of Appreciation
- Martha Washington Medal
- Liberty Medal
- Silver R.O.T.C. Medal
- Bronze R.O.T.C. Medal
- Eagle Scout Medal
- Bronze Good Citizenship Medal
- Treaty of Paris Medal
- UK Congress Medal
- S.A.R. Centennial Medal

However, we can not expect the "Quartermaster" to know organizational precedence. Hence you must take your medals, line them up in the proper sequence and mount them on heavy cardboard. Use scotch tape (not cellophane) and tape them in place. (Tape the medals not the ribbons) If more than one row is required, you must arrange them accordingly. Remember, the lower row MUST contain at least the same number of medals as the upper row.

If you can not find your medals or can't remember which ones you have been awarded, our Secretary has a record of each presentation (made by the Chapter) and can arrange for replacements (at the requestor's expense).

We understand that except for the Centennial Medal, Treaty of Paris Medal and U.K. Congress Medal, all other medals are available from the National Society, S.A.R.

**THE C.A.S.S.A.R. ANNUAL
MEETING OF THE
MEMBERSHIP**

President Donald McLaughlin reported that the plans for our hosting the Annual California Society, S.A.R. meeting of the Membership is proceeding on schedule. All major arrangements have been made, only few details remain to be taken care of.

On the opposing page you can see the agenda for the meeting has been fully developed and will be published in the next issue of the California Compatriot. If you have any questions, please feel free to contact any of our Committee Chairman, all listed in the February Valley Compatriot.

We still will need as many volunteers as the Chapter can muster. The duties of the Chapter start at 4:00 p.m. on Thursday and continue thru Saturday evening.

Two additional planning sessions are scheduled. The first of these will be held at 10:00 a.m. March 13th, at the Verdugo Club, 400 West Glenoaks Blvd. in Glendale, and the Second and final meeting will be held on April, 10th, at the Red Lion Hotel in Glendale. 100 West Glenoaks Blvd, Glendale. This meeting will include an orientation tour of the facilities and be our last session to make final arrangements. We encourage all our volunteers to attend.

The ladies, under Ladies Auxiliary President Clarabelle McLaughlin have been very busy as well. This will be the Tenth Anniversary of their founding, which, incidently, was at the 1983 C.A.S.S.A.R. meeting sponsored by our Chapter. They are planning a major celebration to commemorate this milestone in their history.
